

Hope Pregnancy Center

Statement of Commitment

I believe I am called by God and taught by the Scripture to minister with compassion to people in need. I feel called particularly to minister to women who face unplanned pregnancies.

I have read and agree with the “Statement of Faith”.

I have read, understand and agree with the “Job Description for the HPC Volunteer”.

I hereby pledge that as a volunteer I will:

1. Work a four-hour shift per week and follow up on clients I assist with, as they give permission.
2. Attend all volunteer training seminars and monthly volunteer meetings of the HPC (second Tuesday of each month unless otherwise advised.).
3. Study the word and pray regularly for the ministry of the HPC, and particularly for my part of it.
4. Fellowship and grow with other believers, which means being a part of a local Christian church.
5. Adhere to all other duties as written or implied by the “Job Description of the HPC Volunteer.”
