

“My crops put food on my table and pay my bills, so why shouldn't they do the same for the children's home?”

“Grow. Give. Challenge”

“Grow. Give. Challenge”

HOW IT WORKS

1. **GROW:** Sow your seed, and say your prayers. Let God do the rest.
2. **GIVE:** Donate a portion of what you are blessed with to children and families at Oklahoma Baptist Homes for Children(OBHC). Some farmers choose to give 10 acres worth of crop production. This can be donated through your local co-op. Contact Mike Williams who will collect the gift. Examples: grain, lumber, canola, cotton, corn, milo, wheat, etc.
3. **CHALLENGE:** Challenge your buddies to do the same. Together, the impact of your gifts will help children and families in a great big way.

OTHER WAYS TO TAKE THE CHALLENGE

While donating 10 acres worth of crop production is a special way to help children and families, any gift of any amount is welcome. Other ways to give include: cash, check, online credit card donation, income from oil/gas or wind energy contracts, property, equipment, etc. Do you have something in mind you would like to donate? Call Mike Williams, and he will help coordinate your donation.

WHAT IS OBHC

Oklahoma Baptist Homes for Children cares for more than 200 children and single mothers at four children's homes across the state. Our mission is to demonstrate God's love by providing hope through empowering children and their families to follow Christ. Learn more at www.obhc.org.
