## INDEPENDENT AUDITORS' REPORT

Audit Committee  
Oklahoma Baptist Homes for Children, Inc.  
Oklahoma City, Oklahoma

### *Opinion*

We have audited the accompanying financial statements of Oklahoma Baptist Homes for Children, Inc., which comprise the statements of financial position as of December 31, 2021 and 2020, the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oklahoma Baptist Homes for Children, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oklahoma Baptist Homes for Children, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oklahoma Baptist Homes for Children, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Audit Committee  
Oklahoma Baptist Homes for Children, Inc.  
Oklahoma City, Oklahoma

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oklahoma Baptist Homes for Children, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oklahoma Baptist Homes for Children, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

## Notes to Financial Statements

December 31, 2021 and 2020

1. NATURE OF ORGANIZATION:

Oklahoma Baptist Homes for Children, Inc. (OBHC) is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993 and began operations on January 1, 1994, to demonstrate God's love by providing hope through empowering children and their families to follow Christ. With donated funds, OBHC operates four homes or other living facilities for children in need and six Hope Pregnancy Centers, including a mobile unit. Prior to 1994, OBHC was a division of the Baptist General Convention of Oklahoma (Oklahoma Baptists). OBHC is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and comparable state law(s). However, OBHC is subject to federal income tax on any unrelated business taxable income. In addition, OBHC is not classified as a private foundation within the meaning of Section 509(a) of the IRC.

2. SIGNIFICANT ACCOUNTING POLICIES:

OBHC maintains its accounts and prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

### CASH AND CASH EQUIVALENTS

For purposes of the statements of financial position and cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents, excluding cash and cash equivalents related to OBHC's investment strategies held in investment accounts. OBHC maintains cash balances at financial institutions located in Oklahoma. As of December 31, 2021 and 2020, the cash accounts maintained exceeded federally insured limits by approximately \$2,152,000 and \$2,579,000, respectively. OBHC has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk.

### INVESTMENTS AND INVESTMENT INCOME

Investments in pooled equity securities, fixed income instruments, spending policy pool, and church building loans are carried at net asset value. Mineral rights are carried at estimated fair value. Gains and losses on pooled investments are reported in the statements of activities as increases or decreases in net assets without donor restrictions unless their use is restricted by purpose, time, or in perpetuity by donor stipulations or by law. See Note 7 for fair value measurements and disclosures.

December 31, 2021 and 2020

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### INVESTMENTS AND INVESTMENT INCOME, continued

The Baptist Foundation of Oklahoma, doing business as WatersEdge Ministry Services (WatersEdge), was created for the purpose of receiving and managing all investments for the various Baptist entities, including OBHC. The investments managed by WatersEdge are non-endowment investments for which the principal and income is directed by OBHC, including donor funds invested until expended for the specified purpose. These non-endowment investments held by WatersEdge are labeled as custodial funds in Note 3. Other investments are bond mutual funds held for use in the 403(b) retirement plan. These investments are held by GuideStone Financial Resources of the Southern Baptist Convention and are labeled as Other in Note 3.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and those changes could materially affect the financial statements.

#### ASSET HELD FOR SALE

Asset held for sale consists of a building that was on the market. It was recorded at the lower of carrying value or fair market value less the estimated cost to sell the property. The property sold during the year ended December 31, 2021 for net proceeds of \$734,725, which resulted in a gain on sale of \$186,355 which is recorded as other income on the statement of activities.

#### FIXED ASSETS

Fixed assets are recorded at cost. It is OBHC's policy to capitalize all furniture and fixtures, equipment, and vehicles with a cost in excess of \$5,000 and all buildings and leasehold improvements with a cost in excess of \$25,000. The cost and related accumulated depreciation of assets sold or retired are removed from the accounts and the resulting gains or losses are included in the statements of activities. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture and fixtures	6-20 years
Equipment	6-10 years
Vehicles	3 years
Buildings and leasehold improvements	5-40 years

## Notes to Financial Statements

December 31, 2021 and 2020

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### BENEFICIAL INTEREST IN FUNDS HELD BY OTHERS

OBHC is the beneficiary of certain irrevocable trusts held and administered by WatersEdge and others. Under the terms of perpetual trusts, OBHC has the irrevocable right to receive the income earned on the trust assets. The fair value is recognized as an asset and as a contribution with donor restrictions at the date the trust is established, based on the nature of the agreement. OBHC's estimate of fair value is based on fair value information received from the respective trustees. The assets consist of equities, pooled investments, and mineral interests. These assets are not subject to the control or discretion of OBHC. Gains and losses which are not distributed by the trusts, are reflected as change in value of beneficial interests in the statements of activities. Distributions from the trusts not appropriated for spending are reflected as non-operating investment gains and losses. Total quarterly distributions, appropriated and non-appropriated, received for Q1-Q4 2021, were approximately \$798,000, \$828,000, \$826,000, and \$847,000, respectively. Total quarterly distributions, appropriated and non-appropriated, received for Q1-Q4 2020, were approximately \$814,000, \$877,000, \$854,000, and \$1,021,000, respectively.

Under the terms of other trusts, OBHC has an irrevocable right to receive their percentage share of the trust assets at a future date, usually the termination of the trust. These agreements constitute unconditional promises to give and are recognized as income in the period the promise is given. Gifts are valued by reducing total assets held by the WatersEdge by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a five percent discount rate. The assets consist of pooled investments and mineral rights. These assets are not subject to the control or discretion of OBHC. Gains and losses, which are not distributed by the trusts, are reflected as change in value of beneficial interests in the statements of activities.

#### POST RETIREMENT BENEFITS OTHER THAN PENSIONS

OBHC sponsors unfunded post-retirement health care, life insurance, and retirement gift benefits. These post-retirement benefits are offered to all full time employees that were hired prior to September 27, 1994. As of September 2012, OBHC decided to eliminate the retirement gifts to active employees upon retirement. Full-time employees hired after September 27, 1994 who complete 15 years of current, continual service and retire at full retirement age set by Social Security will receive \$200 per month in a health reimbursement arrangement. Estimated costs of these benefits are recognized during the employees' active service period. Several assumptions are made in determining the obligation associated with the plan. The assumptions used in determining the obligation are described in detail in Note 9.

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### NET ASSET CLASSIFICATIONS

Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions. The following net asset segregations have been established for OBHC:

*Net assets without donor restrictions* are those resources over which the governing board has discretionary control to use in carrying on the operations of OBHC and those restricted in fixed assets–net.

*Net assets with donor restrictions* include resources of OBHC related to gifts with explicit donor-imposed restrictions that have not been met as to specified purpose, to later periods of time, or after specified dates. These include donor restrictions requiring the net asset to be held in perpetuity and permit OBHC to use all or part of the income earned on related investments for specific purposes.

#### SUPPORT AND REVENUE

Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their fair values. The policy of OBHC is to record all donations postmarked before December 31st as deposits in transit. Contributions made, including unconditional promises to give, are recognized as expenses in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met. For financial reporting purposes OBHC distinguishes between contributions of net assets without donor restrictions and net assets with donor restrictions.

OBHC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished in the same fiscal year as the year of the receipt of the gift, the gift is considered to be without donor restrictions. When a donor restriction expires on gifts previously classified as with donor restrictions, these net assets are reclassified to net assets without donor restrictions and reported in the statements of activities as reclassifications of net assets. All contributed assets are reflected at the fair market value at the date of contribution. OBHC also receives donated services valued at the fair market value at the date of contribution. All donated materials and services, which were approximately \$630,000 and \$653,000, for the years ended December 31, 2021 and 2020, respectively, are reported as contributions in the statements of activities.

OBHC's cooperative program distributions are budgeted annually at the discretion of Oklahoma Baptists and are recognized when received. All other income is recorded when earned.

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### FUNCTIONAL ALLOCATION OF EXPENSES

Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service. Main program activities of OBHC are pregnancy centers and children's programs.

#### WORKERS COMPENSATION INSURANCE

OBHC is self-insured with respect to workers' compensation claims. Monthly payments are made to a self-insured plan established by Oklahoma Baptists. This plan is self-insured to the extent of the excess liability insurance with an employer liability limit of \$2,000,000 per occurrence and a self-insured retention of \$425,000 per occurrence.

#### ADVERTISING COSTS

All advertising costs are expensed as incurred. Advertising costs were approximately \$134,000 and \$128,000, for the years ended December 31, 2021 and 2020, respectively.

#### OPERATING AND NON-OPERATING

OBHC classifies the activities related to its defined benefit post retirement liability other than net periodic benefit costs, changes in its charitable remainder interests, capital contributions, and activities relating to its beneficial interests other than the distributions appropriated for expenditure as non-operating. All remaining activities are general operations of OBHC.

### 7. DISCLOSURES ABOUT FAIR VALUE OF ASSETS AND LIABILITIES:

OBHC uses the fair valuation methodologies of WatersEdge. In determining fair value, WatersEdge uses various valuation approaches. These standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. WatersEdge uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, WatersEdge measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1—Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that WatersEdge has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 securities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2—Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3—Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of valuation techniques and observable inputs can vary from security to security and is affected by a wide variety of factors, including the type of security, whether the security is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed. Accordingly, the degree of judgment exercised by WatersEdge in determining fair value is greatest for securities categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined by the lowest level input that is significant to the fair value measurement.

7. DISCLOSURES ABOUT FAIR VALUE OF ASSETS AND LIABILITIES, continued:

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, WatersEdge's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date.

Investments:

*Bond mutual funds*

The fair values are based on quoted market prices of these investments.

*Pooled investments*

The pooled investments held by WatersEdge in their charitable spending policy funds are calculated based on a number of factors including obtaining an understanding of the funds' underlying investments, strategy, positions and valuation and comparing information provided by the fund administrator or general partner to other available information such as sector data and indexes. OBHC's interest is carried at net asset value. There are no redemption restrictions or capital calls on the funds valued at net asset value.

*Mineral interests*

The fair value of mineral interests is determined by using an income approach using recent past income produced by the income property.

Beneficial interest in funds held by others:

The fair value of beneficial interest in funds held by others is estimated as the present value of future trusts payments, based upon OBHC's proportionate share of the trust's assets as represented by the fund manager for charitable remainder trusts and the underlying net asset value of pooled funds for beneficial interests to be held in perpetuity.

Post retirement benefit liability:

The present value of the post-retirement benefit liability is calculated using the estimated benefits to be paid based on the life expectancy using mortality tables as calculated by an actuary.

8. EXPENSES INCURRED:

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of OBHC. These expenses include depreciation and amortization, information technology, and facilities operations and maintenance. Building depreciation and amortization and facilities operations and maintenance is allocated based on square footage or specific assets used. Costs of information technology were allocated on estimates of time and effort. Total expenses includes all operating expenses and the nonoperating expense of other components of net periodic postretirement cost, which is included in Corporate Office salaries, wages, and benefits and totaled \$153,010 and \$65,109, for the years ending December 31, 2021 and 2020, respectively.

Expenses of OBHC are allocated to functional classifications as follows:

10. PENSION PLAN:

All full time employees of OBHC are eligible to participate in a defined contribution pension plan through GuideStone Financial Resources of the Southern Baptist Convention. Under the plan, OBHC contributes an amount equal to five percent of participating employees' salaries. OBHC also matches employee contributions up to 2.5 percent of participating employees' salaries. When an employee reaches year five of employment, employees are eligible to increase matching contributions from 2.5 percent to up to five percent of salary. Employee contributions are voluntary. Total pension expense for the years ended December 31, 2021 and 2020, was \$392,801 and \$434,502, respectively.

11. PAYCHECK PROTECTION PROGRAM LOAN:

During the year ended December 31, 2020, OBHC received a \$1,139,300 loan as part of the Paycheck Protection Program (PPP) from the US Small Business Administration due to the coronavirus (COVID-19) pandemic. The loan was fully forgiven during the year ended December 31, 2021 and as a result was recognized as a gain on extinguishment of debt on the statement of activities.

## Notes to Financial Statements

December 31, 2021 and 2020

### 12. RELATED PARTIES:

OBHC is affiliated with all organizations whose directors or trustees are elected by the participating churches of the Oklahoma Baptists at its annual meeting. Principal affiliates of OBHC are Oklahoma Baptists, WatersEdge, Oklahoma Baptist University, and Baptist Village Communities of Oklahoma, Inc. As of December 31, 2021 and 2020, OBHC had amounts due from related parties of approximately \$113,399 and \$114,213, respectively. As of December 31, 2021 and 2020, OBHC had amounts due to related parties of approximately \$22,000 and \$11,800, respectively.

As discussed in Note 2, WatersEdge holds and manages investments and beneficial interests in funds held by others on behalf of OBHC. As of December 31, 2021 and 2020, investments and beneficial interests in funds held by WatersEdge on behalf of OBHC were approximately \$100,000,000 and \$84,000,000, respectively. In relation to holding and managing OBHC's investments, WatersEdge charged total fees of approximately \$841,000 and \$712,000, for the years ended December 31, 2021 and 2020, respectively.

OBHC made rent payments to Oklahoma Baptists for office space totaling \$183,540 for both the years ended December 31, 2021 and 2020.

Additionally, OBHC receives contributions from related parties, including committee members, strategic advisors, members of management, and other related parties. These amounts were approximately \$195,000 and \$800,000, for the years ended December 30, 2021 and 2020, respectively.

### 13. RISKS AND UNCERTAINTIES:

During the year ended December 31, 2020, the World Health Organization declared the outbreak of the COVID-19, a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of OBHC for future periods. Management is carefully monitoring the situation.

### 14. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through May 18, 2022, which represents the date the financial statements were available to be issued.
